D.A. Capital Management sells its “Long Only” mid-cap equity investment product to Trusco Capital Management, Inc.

Atlanta, GA (Feb. 12, 2003) – D.A. Capital Management, LLC is pleased to announce the sale of its "long-only" mid-cap equity investment product to Atlanta based Trusco Capital Management, Inc. D.A. Capital will retain its hedge fund management business and Kevin W. Shea, a principal of D.A. Capital will continue to be the portfolio manager of D.A.'s hedge funds.

The separation of these products will, in DA's view, result in a clear focus for D.A. Capital Management in the hedge fund business. The principals of DA also believe that the transaction will generate a revenue stream to D.A. Capital that will allow it to add additional research and trading talent.

Mr. Shea will assist in transitioning its "long only" mid-cap product to Trusco while continuing to manage hedge funds for D.A. Capital.

Mystic Capital Advisors Group, LLC provided transaction advisory services to D.A. Capital.
