## **ROCKWOOD PROGRAMS TO PARTNER WITH FLORIDA-BASED AGENCY**

Rockwood Programs has partnered with Modern Insurance to establish a new subsidiary company. The new enterprise – named Modern Insurance Consultants, LLC – will focus on its core expertise of Errors and Omissions (E&O) insurance for Insurance Agents, Insurance Companies, and Miscellaneous Professional Liability classes.

“We feel this new arrangement capitalizes on the unique strengths of each partner”, says Glenn Clark, Rockwood’s President. “Mark Lann (Modern’s president) and his team have a proven track record of success in the E&O arena. Rockwood Programs possesses the markets, distribution outlets, and legal status to transact business on a national scale. Our aggregated resources will be used to benefit Target Markets and the Strategic Independent Agent’s Alliance (SIAA) members – two of our leading P&C E&O partners”.

Mark Lann will serve as the President and CEO of the new entity. The operation will be located in Homestead, Florida.

“For some time now, we have been looking to affiliate ourselves with a larger agency, states Mark. ”To accomplish this goal, we retained the services of Mystic Capital Advisors Group LLC. They helped identify Rockwood as a potential partner and have advised both parties on all aspects of the merger. We are excited to be a part of this new enterprise.”
